SERVICE POLICY

TERMS:

A 1.5% finance charge will be added to all unpaid balances after the last working day of each month. This is an annual rate of 18%.

TIME SCHEDULE:

This schedule refers to full working days in the laboratory, excluding weekends, holidays and the days of pick-up and delivery. Less than the minimum construction time justifies an additional charge. Add 3 days if doctor wishes to trim dies and/or mount models on articulator.
